

# Sisse Marie, In my room (Boom)

Now I know that we are  
gone to stay together  
I'll be hanging round  
and wait for better weather  
People telling me  
I'm gonna be just fine  
Now I know that  
everything will be all right  
be all right  
be all right  
be all right  
Suddenly my heart goes Boom  
Beat when you  
walking off the door  
Hey, haven't seen you hear before  
Na na na na na na  
Boom Boom when you in my room  
Now that you're sitting on my bed  
We're doing Aa in my head  
Na na na na na na  
We will be all right  
be all right  
be all right  
be all right  
Boy I'm walking round here,  
trying not to lose it  
People saying that  
I got to face the music  
Hey, I'm telling you  
I got You in my site  
Now I know that  
everything will be all right  
be all right  
be all right  
be all right  
Suddenly my heart goes Boom  
Beat when you walking off the door  
Hey, haven't seen you hear before  
Na na na na na na  
Boom Boom when you in my room  
Now that you're sitting on my bed  
We're doing Aa in my head  
Na na na na na na  
My heart goes boom boom  
When you in my room, room, room  
My heart goes Boom  
Now that you're sitting on my bed  
We're doing Aa in my head  
Na na na na na na we will be all right  
Na na na na na na na na  
Boom Boom when you in my room...  
Na na na na na na na na  
We will be all riht  
My heart goes Boom  
Beat when you walking off the door  
Hey, haven't seen you hear before  
Na na na na na na  
Boom Boom when you in my room  
Now that you're sitting on my bed  
We're doing Aa in my head  
Na na na na na na  
My heart goes boom boom!
