

# Sissel, Better Off Alone

Girl dont be sad  
You know what youre missing  
No reason to feel bad  
He dont mean much with his kisses  
Youre gonna make it through  
You have always been surviving  
Ive got faith in you  
And I know youll get it going  
But you cant go back  
To what it never was  
To repossess, what you never owned  
But you cant go back  
To what it never was  
This is that time, this is that time  
When youre better off alone  
Girl dont you see  
Theres nothing more to see there  
Youve got a friend in me  
And I will always be here  
And you know it wont be long  
Until its all behind you  
You will meet someone  
Someones bound to find you  
But you cant go back  
To what it never was  
To repossess, what you never owned  
But you cant go back  
To what it never was  
This is that time, this is that time  
When youre better off alone  
Even alone at night  
You will be all right  
Youre so strong you will get over him  
And there will be times  
That Ill expect these lies  
Not to comfort but remind you  
But you cant go back
