

SiStars, Freedom

Yeah... welcome ladies and gentlemen
This is our new single.
Sistars from Poland

Thinkin' 'bout the freedom,
I lost my way
Baby, could u hold on?
I've lost my way, but I ...I went so far
I'm gonna need some space,
I'm a tell u why

I need, I need, need some air
I need, I need, need some water
O-ho o! gotta be free
Listen what I say

I need, I need, need some air
I need, I need, need some water,
Fresh water
O-ho o! gotta be free
And I gotta little something to say

Feel like blooming rose
My eyes can't hide u in
My freedom is so close,
I'm a ready to begin

My eyes can't hide u in,
You're much to proud to fit
I'm a ready to begin
The freedom of the spirit

I need, I need, need some air
I need, I need, need some water
O-ho o! gotta be free
Listen what I say

I need, I need, need some air
I need, I need, need some water,
Fresh water
O-ho o! gotta be free
And I gotta little something to say

So baby please, be with me
Cause what I need's to be free
Now u give it to me, now give it to me,
Now give it to me,
Cause what I need is freedom
My freedom o-o ho!

I need, I need, need some air
I need, I need, need some water
O-ho o! gotta be free
Listen what I say

I need, I need, need some air
I need, I need, need some water,
Fresh water
O-ho o! gotta be free
And I gotta little something to say
