## SiStars, Freedom

Yeah... welcome ladies and gentlemen This is our new single. Sistars from Poland

Thinkin' 'bout the freedom,
I lost my way
Baby, could u hold on?
I've lost my way, but I ...I went so far
I'm gonna need some space,
I'm a tell u why

I need, I need, need some air I need, I need, need some water O-ho o! gotta be free Listen what I say

I need, I need, need some air I need, I need, need some water, Fresh water O-ho o! gotta be free And I gotta little something to say

Feel like blooming rose My eyes can't hide u in My freedom is so close, I'm a ready to begin

My eyes can't hide u in, You're much to proud to fit I'm a ready to begin The freedom of the spirit

I need, I need, need some air I need, I need, need some water O-ho o! gotta be free Listen what I say

I need, I need, need some air I need, I need, need some water, Fresh water O-ho o! gotta be free And I gotta little something to say

So baby please, be with me Cause what I need's to be free Now u give it to me, now give it to me, Now give it to me, Cause what I need is freedom My freedom o-o ho!

I need, I need, need some air I need, I need, need some water O-ho o! gotta be free Listen what I say

I need, I need, need some air I need, I need, need some water, Fresh water O-ho o! gotta be free And I gotta little something to say
