

Sister Hazel, Can't Get You Off My Mind

Didn't think I'd see you
Back in our sleepy town
It's the last place that
I thought I'd see you now

Your long brown hair
Your pretty smile
And those bright green eyes
Brought back all those feelings
That I've tried so hard to hide

[Chorus]
And I can't get you off my mind
And I thought I'd be alright
But you caught me by surprise
And girl, you know I tried
I can't get you off my mind

You look nice
Married life seems to suit you fine
I know I was lucky back when you were mine
I kept hopin' you'd come back to me someday
But deep inside I'll always know
You were the one that got away

[Chorus]

She touched my arm
She kissed my cheek
As she said goodbye
And as she walked away
I got that feelin' one more time

[Chorus]
