

# Sister Hazel, Give In

It's wrong-not right so bad you know it.  
I've been wrung in and out.  
You say-you want-you need-it your way.  
You kick and scream and shout.

[Pre Chorus]

You twist my words  
To ease your mind  
Don't stand there smiling, at me  
Don't think it's me  
When it's always you, it's always you

[Chorus]

Give in-give out-give up-it's over.  
Why even bother if I'm always wrong.  
Give in-give out-give up-it's over.  
So much for trying it's time to move on.

You try-to back-me in-a corner.  
So sick of playin' your game.  
Too much-too hard-to take-You're giving.  
So much that I don't need.

[Pre Chorus]

You twist my words  
To ease your mind  
Don't stand there smiling, at me  
Don't think it's me  
When it's always you, it's always you

[Chorus]

[Bridge]

Your mind-my heart-our words-they drain me.  
I've heard the same old lines  
I'm tired-worn out-so weak-don't push me.  
Don't try it one more time.

[Chorus]
