

Sister Nancy, Bam Bam

Me said one thing Nancy can't understand
One thing Nancy can't understand
What makes them talk about my ambition?
Said, what makes them talk about my ambition?
Some of them ask me where me get it from
Some of them ask me where me get it from
I told them dunno, it's from creation
I told them dunno, it's from creation
Bam bam, ey, What a bam bam?
Bam bam dilla, bam bam
Bam bam dilla, bam bam
'Ey what a bam bam, said what a bam bam

This woman never troubled no one
I'm a lady, I'm not a man
MC is my ambition
I come from nice up Jamaica
So bam bam, what a bam bam
Bam bam dilla, bam bam
Bam bam dilla, bam bam
'Ey a me said what a bam bam,
Tell 'em said what a bam bam
Tell 'em, tell 'em

Me born and me grown in Princeton 6
I, Nancy write me precious lyrics
When you hear them they sound like (??)
You come in the dread so me said well well slick
Bam bam, 'ey said what a bam bam
Bam bam dilla, bam bam
Bam bam dilla, bam bam
'Ey said what a bam bam, 'ey said what a bam bam

A some of them say me a go mash up the plan
A told them dunno, know me a one business, oh man
Sister Nancy, she a one in a 3 million
Sister Nancy, she a one in a 3 million
So bam bam,
Said what a bam bam
Bam bam dilla, bam bam
Bam bam dilla, bam bam

Said go, Sister Nancy, where you go
I tell yourself if you don't Sister Nancy, make you go
I know it from me head straight down to my toe
A tee-tar-toe Sister Nancy a me go
A some of them ask Sister Nancy make you bad so
Bung dung didlee-a Sister Nancy make you bad so

Bam bam, ey, What a bam bam?
Bam bam dilla, bam bam
Bam bam dilla, bam bam
'Ey what a bam bam, said what a bam bam

This woman never troubled no one
I'm a lady, I'm not a man
MC is my ambition
I come from nice up Jamaica
So bam bam, what a bam bam
Bam bam dilla, bam bam
Bam bam dilla, bam bam
'Ey a me said what a bam bam,
Tell 'em said what a bam bam
Tell 'em, tell 'em

Me said one thing Nancy can't understand
One thing Nancy can't understand...
