

# Sister Sledge, Thinking Of You

Everybody let me tell you bout my love  
Brought to you by an angel from above  
Full equipped with a lifetime guarantee  
Once you try it, I am sure that you'll see

(Without love) There's no reason to live  
(Without you) And what would I do with the love I give  
(All my lovin') To you I'll be giving  
And I promise, yes I'll do, as long as I'm living

I'm thinking of you and the things you do to me  
That makes me love you, now I'm living in ecstasy  
Hey, it's you and the things you do to me  
That makes me love you, now I'm living in ecstasy

All the time he makes me glad that I'm alive  
Together we will survive  
What do you think brought the sun out today  
It's my baby, oh, help me sing

(Without love) Without love there's no reason to live  
(Without you) Oh, what would I do with the love I give  
(All my lovin') To you I'll be giving  
And I promise, yes I'll do, as long as I'm living

I'm thinking of you and the things you do to me  
That makes me love you, now I'm living in ecstasy  
Hey, it's you and the things you do to me  
That makes me love you, now I'm living in ecstasy

I'm in love again  
And it feels so, so good
