

Sister Sledge, We Are Family

We are family, I've got all my sisters with me
We are family, Get up everybody and sing
We are family, I've got all my sisters with me
We are family, Get up everybody and sing
Everyone can see we're together as we walk on by
And we fly just like birds of a feather, I won't tell no lie
All of the people around us they say, Can they be that close
Just let me state for the record, We're giving love in a family dose
Living life is fun and we've just begun to get our share of the world's delights
High hopes we have for the future And our goal's in sight
No we don't get depressed, here's what we call our golden rule
Have faith in you and the things you do, you won't go wrong, this is our family jewel
