

Sister Soleil, Chair

This is how i'm supposed to feel?
This is how i'm supposed to feel about what i do?
This is how i relate to you?
This is how i get through

Oh you think that, you think that you know me?
Oh you think that, you think that you know?
You put him in a chair and say he's great
Then ya get right down to the god you made

This is how i move on
This is how i've grown up
This is how i deal
This is the only thing that's real to me

Oh you think that, you think that you know me?
Oh you think that, you think that you know?
You put him in a chair and say he's great
Then ya get right down to the god you made
You keep him up there so he could save ya
Then ya kick him out the very next day, yeah

You put him in a chair and say he's great
Then ya get right down to the god you made
You keep him up there so he could save ya
Then ya kick him out the very next day, yeah

This is the only thing i've got in my life
This is the only way to be alive
This place is all the people i've never had
This makes me crazy and it makes me mad

Oh you think that, you think that you know me?
Oh you think that, you think that you know?
You put him in a chair and say he's great
Then ya get right down to the god you made
You keep him up there so he could save ya
Then ya kick him out the very next day, yeah

And ya you put him in a chair and say he's great
Then ya get right down to the god you made
You keep him up there so he could save ya
Then ya kick him out the very next day, yeah

You put him in a chair and say he's great
Then ya get right down to the god you made
You keep him up there so he could save ya
Then ya kick him out the very next day, yeah

God you made
This is why i dont trust you
God you made
This is why i dont trust you
God you made
This is why i dont trust you
God you made

Put him up
