

Sister Soleil, Torch

Leave me a light on the porch
Leave me a light on the porch
Leave me....

See all the people walkin
See all the people demanding me to
See all the people doggin
See all the people grabbin at me.

Cant take it
Cant take it
Leave me a light on the porch
I carry a torch
I burn for you

See all the people hauntin me
See all the people taunting me
See all the people watchin
See all the people cursin at me

Cant take it
Cant take it
Leave me a light on the porch
I carry a torch
I burn for you
Leave me a light on the porch
I carry a torch
I burn for you

Oh what you do to me i cant get through to you
Oh what you do to me i cant get through to you

See all the people wantin
See all the people talkin down to me
See all the people poundin
See all the people drowndin me

Cant take it
Cant take it
Leave me a light on the porch
I carry a torch
I burn for you
Leave me a light on the porch
I carry a torch
I burn for you

Why dont you leave me, why dont you
(Leave me a light on the porch)
why dont you
(I carry a torch)
why dont you leave me
(I burn for you)
why dont you leave me!

Leave me a light on the porch
I carry a torch
I burn for you
Leave me a light on the porch
I carry a torch
I burn for you

Why dont you leave me, why dont you
(Leave me a light on the porch)
why dont you

(I carry a torch)
why dont you leave me
(I burn for you)
why dont you leave me!
A light on the porch

Leave me a light on the porch
I carry a torch
I burn for you
Leave me a light on the porch
I carry a torch
I burn for you
I burn for you...
