

# Sister2Sister, Count On Me

muscat/muscat/muscat/price  
when you're feeling down  
feeling pushed around  
and you just want to break down and cry  
when you can't be strong and you can't carry on  
and it hurts no matter how hard you try  
and it feels just like your falling apart  
when you need someone to depend upon  
there's something that I want you to know...  
you can count on me  
call and I'll be there  
I'll be standing right there by your side  
you will always be  
in my thoughts and my prayers  
I'll wipe away the tears you cry  
you can count on me  
so if your sky is grey  
and you can't find your way  
and you're feeling like you just don't belong  
you can rise above  
look and you'll find love  
and the strength to keep you holding on  
even when it's breaking you heart  
and you need a friend to put your trust in  
there's something I want you to know...  
you can count on me...  
when the world is just too much to bear  
count on me  
and when nobody seems to care  
count on me  
look in my eyes and you will see  
what you mean to me  
you can always count on me
