

# Sister2Sister, Too Many Times

muscat/muscat/muscat/dale/deltito  
melting me with that look in your eyes  
got that feeling, it's blowing my mind  
I'm trying hard not to fall too fast  
the thing we've got, is it gonna last?  
too many times, that I've fallen in love  
too many times, that I've fallen apart  
when will I find it, just once  
could this be the real thing?  
when we're together and you hold me tight  
this thing we've got, it feels so right  
I can't believe this is happening to me  
is it a dream... or reality?  
it's driving me crazy, I can't take more of this confusion  
I feel it inside me  
tell me how you feel, baby is this real... or an illusion?  
too many times...  
all of my life I've been searching for someone like you  
I know I'm afraid of these feelings  
it's just that I've been hurt too many times
