

# Sisters Of Mercy, Louie, Louie

Louie Louie, me gotta go. Louie Louie, me gotta go.  
A fine girl, she wait for me. Me catch the ship across the sea.  
I sailed the ship all alone. I never think I'll make it home.  
Louie Louie, me gotta go.  
Three nights and days we sailed the sea. Me think of girl constantly.  
On the ship, I dream she there. I smell the rose in her hair.  
Louie Louie, me gotta go.  
Me see Jamaican moon above. It won't be long me see me love.  
Me take her in my arms and then I tell her I never leave again.  
Louie Louie, me gotta go.

Lights

The lights shine clear through the sodium haze  
The night draws near and daylight fades  
Ignore the voices discard the day  
For the brand new darkness for the bright new way

Hit

Well there have been better plans  
But none that I could ever understand  
Emerald signal the green on black  
The lights say move say never look back  
And so I find a place where I've never been seen  
Find another place where the red turns green  
Where the emerald glistens through the darkness again  
Where the emerald glistens through the rain  
The lights shine clear through the sodium haze  
The night draws near and the daylight fades  
But there's a voice in the distance quiet and clear  
Saying something that I never ever wanted to hear  
Well there have been better plans  
But none that I could ever understand  
I see the emerald signal see the green on black  
I see the light say move say never look back  
And so I find another place where I'll never been seen  
Find another place where the red turns green  
Where the emerald glistens through the darkness again  
Where the emerald glistens through the rain rain rain  
And I'm happy here  
In the rain  
In the rain  
In the rain rain rain  
I'm happy here  
In the rain  
Where the emerald  
Glistens  
Through the rain
