Sisters Of Mercy, Temple Of Love 1992

With the fire from the fireworks up above me
With a gun for a lover and a shot for the pain at hand
You run for cover in the temple of love
You run for another but still the same
For the wind will blow my name across this land
In the temple of love you hide together
Believing pain and fear outside
But someone near you rides the weather
And the tears he cried will rain on
Walls as wide as lovers' eyes

In the temple of love-shine like thunder In the temple of love-cry like rain In the temple of love-hear my calling In the temple of love-hear my name

And the devil in a black dress watches over My guardian angel walks away Life is short and love is always over in the morning Black wind come carry me far away With the sunlight died and the night above me With a gun for a lover and a shot for the pain inside You run for cover in the temple of love You run for another, it's all the same For the wind will blow and throw your walls aside

With the fire from the fireworks up above
With a gun for a lover and a shot for the pain
You run for cover in the temple of love
I shine like thunder, cry like rain
And the temple of love grows old and strong
But the wind blows stronger, cold and long
And the temple of love will fall before this
Black wind calls my name to you no more

In the black sky thunder sweeping under Ground and over water, sounds of Crying, weeping will not save your Faith for bricks and dreams for mortar All your prayers must seem as nothing Ninety-six below the wave when Stone is dust and only air remains

In the temple of love-shine like thunder In the temple of love-cry like rain In the temple of love-hear the calling In the temple of love-is falling down

In the temple of love-shine like thunder In the temple of love-cry like rain In the temple of love-hear my calling In the temple of love-hear my name

In the black sky thunder sweeping under Ground and over water, sounds of Crying, weeping will not save your Faith for bricks and dreams for mortar All your prayers must seem as nothing Ninety-six below the wave when Stone is dust and air remains the Only haven you can trust And the devil in the black dress watches over My guardian angel walks away Life is short and love is always over in the morning

Black wind come carry me far away

With the fire from the fireworks up above With a gun for a lover and a shot for the pain You run for cover in the temple of love I shine like thunder, cry like rain And the temple of love grows old and strong But the wind blows stronger, cold and long And the temple of love will fall before this Black wind calls my name to you no more

In the temple of love you hide together Believing pain and fear outside But someone near you rides the weather And the tears he cried will rain on Walls as wide as lovers' eyes

In the temple of love-shine like thunder In the temple of love-cry like rain In the temple of love-near the calling And the temple of love-is falling down
