

Sisters Of Mercy, We Are The Same, Susanne

Counting the days in the haze around you
Susanne on the wall

No pain, summer rain
I'm lost for stupid again
We are the same
Give it a name Susanne

Counting the days in the haze around you
Susanne let the ether fall
Out of phase, I am all around you
Susanne on the wall

No pain, summer rain
I'm lost for stupid again
We are the same
Give it a name Susanne
