

# Sisters Of Mercy, We Are The Same, Susanne

Counting the days in the haze around you  
Susanne on the wall

No pain, summer rain  
I'm lost for stupid again  
We are the same  
Give it a name Susanne

Counting the days in the haze around you  
Susanne let the ether fall  
Out of phase, I am all around you  
Susanne on the wall

No pain, summer rain  
I'm lost for stupid again  
We are the same  
Give it a name Susanne
