

Sixpence None the Richer, Breathe Your Name

It's every day
I'm in this place
I feel this way
I feel the same

It's every day
I'm in this place
I feel this way
I feel the same

Is it all inside my head?
Is it all inside my head?

I view the list
And take my pick
I view my fate
And make the choice
'Cause it's nobody else's but mine

But You're in my heart
I can feel Your beat
And You move my mind
From behind the wheel
When I lose control
I can only breathe Your name
I can only breathe Your name

So many days
Within this race
I need the truth
I need some grace

I need the path
To find my place
I need some truth
I need some grace

The part of You
That's part of me
Will never die
Will never leave
And it's nobody else's but mine

You are in my heart
I can feel Your beat
And You move my mind
From behind the wheel
When I lose control
I can only breathe Your name
I can only breathe Your name

(Instrumental-Bridge)

You'll view the list
And take Your pick
You'll view my fate
And make the choice
'Cause I'm nobody else's but Yours

And You're in my heart
I can feel Your beat
And You move my mind
From behind the wheel
When I lose control

I can only breathe Your name

'Cause You're in my heart

I can feel Your beat

And You move my mind

From behind the wheel

When I lose control

I can only breathe Your name

I can only breathe Your name

I can only breathe Your name

I can only breathe Your name
