

# Sixpence None the Richer, Breathe Your Name

It's every day  
I'm in this place  
I feel this way  
I feel the same

It's every day  
I'm in this place  
I feel this way  
I feel the same

Is it all inside my head?  
Is it all inside my head?

I view the list  
And take my pick  
I view my fate  
And make the choice  
'Cause it's nobody else's but mine

But You're in my heart  
I can feel Your beat  
And You move my mind  
From behind the wheel  
When I lose control  
I can only breathe Your name  
I can only breathe Your name

So many days  
Within this race  
I need the truth  
I need some grace

I need the path  
To find my place  
I need some truth  
I need some grace

The part of You  
That's part of me  
Will never die  
Will never leave  
And it's nobody else's but mine

You are in my heart  
I can feel Your beat  
And You move my mind  
From behind the wheel  
When I lose control  
I can only breathe Your name  
I can only breathe Your name

( Instrumental-Bridge )

You'll view the list  
And take Your pick  
You'll view my fate  
And make the choice  
'Cause I'm nobody else's but Yours

And You're in my heart  
I can feel Your beat  
And You move my mind  
From behind the wheel  
When I lose control

I can only breathe Your name

'Cause You're in my heart

I can feel Your beat

And You move my mind

From behind the wheel

When I lose control

I can only breathe Your name

I can only breathe Your name

I can only breathe Your name

I can only breathe Your name
