

# Sixpence None the Richer, Breathe Your Name (S

It's every day  
I'm in this place  
I feel this way  
I feel the same  
It's every day  
I'm in this place  
I feel this way  
I feel the same  
Is it all inside my head  
Is it all inside my head  
I'll view the list  
And take my pick  
I'll view my fate  
And make a choice  
Cause it's nobody else's but mine  
Ah you're in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
I can only breathe your name  
So many days  
When in this race  
I need the truth  
I need some grace  
I need the plot  
To find my place  
I need some truth  
I need some grace  
The part of you  
That's part of me  
Will never die  
Will never leave  
And it's nobody else's but mine  
You are in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
I can only breathe your name  
You'll view the list  
And take your pick  
You'll view my fate  
And make the choice  
Cause I'm nobody else's but yours  
And you're in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
Cause you're in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
I can only breathe your name  
I can only breathe your name  
I can only breathe your name
