

Sixpence None the Richer, Breathe Your Name (S

It's every day
I'm in this place
I feel this way
I feel the same
It's every day
I'm in this place
I feel this way
I feel the same
Is it all inside my head
Is it all inside my head
I'll view the list
And take my pick
I'll view my fate
And make a choice
Cause it's nobody else's but mine
Ah you're in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control
I can only breathe your name
I can only breathe your name
So many days
When in this race
I need the truth
I need some grace
I need the plot
To find my place
I need some truth
I need some grace
The part of you
That's part of me
Will never die
Will never leave
And it's nobody else's but mine
You are in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control
I can only breathe your name
I can only breathe your name
You'll view the list
And take your pick
You'll view my fate
And make the choice
Cause I'm nobody else's but yours
And you're in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control
I can only breathe your name
Cause you're in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control
I can only breathe your name
I can only breathe your name
I can only breathe your name
I can only breathe your name
