

Sixpence None the Richer, I Need Love (From - H

I left my conscience like a crying child
Locked the door behind me put the pain on file
Broken like a window I see my blindness now
I need love
Not some sentimental prison
I need God
Not the political church
I need fire
To melt the frozen sea inside me
I need love
Driving into town tired and depressed
Like a flare the street light bursts into an SOS
Peace comes to my rescue and I don't know what it means
I need love
Not some sentimental prison
I need God
Not the political church
I need fire
To melt the frozen sea inside me
I need love
Broken like a window I see my blindness now
I need love
Not some sentimental prison
I need God
Not the political church
I need fire
To melt the frozen sea inside me
I need love
I need love
I need love
