

# Sixpence None the Richer, The Garden

The Garden

Music & Lyrics by : Leigh Bingham, Dale Baker, Matt Slocum, James Arhelger

white ribbon

wedding gown

she walked into the garden

what has she found

oh sorrow

untold sorrow

there would be no groom

she left him as she

found him

empty inside

but this time it was

much too late

nothing to hide

oh her soul

never left the garden

black ribbon

long black gown

she's walking through

her memory

she's so alone
