

# Sixpence None the Richer, There She Goes

There she goes  
There she goes again  
Racing through my brain  
And I just can't contain  
This feeling that remains

There she goes  
There she goes again  
Pulsing through my veins  
And I just can't contain  
This feeling that remains

There she goes (there she goes again)  
There she goes again (there she goes again)  
Racing through my brain (there she goes again)  
And I just can't contain  
This feeling that remains

There she goes  
There she goes again  
She calls my name  
Pulls my train  
No one else could heal my pain  
And I just can't contain  
This feeling that remains

There she goes (she calls my name)  
There she goes again (she calls my name)  
Chasing down my lane (she calls my name)  
And I just can't contain  
This feeling that remains

There she goes (there she goes again)  
There she goes (there she goes again)  
There she goes
