

# Sizzla, Babylon Homework

[Intro:]

Me just wanna say hail to Haile Selassie  
His own devine majesty  
Emperor Haile Selassie I the first...  
Babylon you see, when those youths come about  
You know it's just redder fire  
Yeh man we send enough stories to Babylon  
Prime Minister give us repatriation  
Remember this

[Chorus:]

Nothing inna Babylon nah work  
Watch the inequity have to get up and splurt  
Not even a wicked man can serve  
Rome catch a fire cause deh Vatican thirst  
Nothing inna Babylon caan work  
Things get lock off and them a dead fi pure thirst  
Not even a wicked man can serve  
Yow, desolation to the earth

[Verse 1:]

Well nuh bother tell me bout mi nuh fi vanky  
Babylon gu hush up your mouth you're too cranky  
John Pope mi no know, no uncle nor aunty  
Everything fi Babylon Sizzla deh vanky  
Well from you rude mamma sey she deh go spanky  
Brain them a use bout a Christ ride the donkey  
Who them a fool bout sey black man a monkey  
Black man, black woman a the first monarchy  
Babylon dry, them a beg Rasta dampy  
Weed and a cry words of I them never want it  
African soil fertile ligh high sensi  
Yow, well Babylon them listen calamity  
Yuh city

[Chorus]

[Verse 2:]

So mi go hail Emperor Selassie I him a the first  
This a one a Babylone home work  
Protect the ghetto child, nuh badder move too fancy  
From them a cry then how wi fi like, eh  
You think a now Babylon them a spite we  
Hand me the matches make Sizzla go light , eh  
Black people so much them nuh got no capacity  
Try get up, go tell PJ a prophecy  
Babylon a cover Queen Elizabeth nasty, Babylon presumptuous  
What an audacity  
I nuh come yah so fi sing no Babylon story  
I come fi turn the shame into glory  
Old Pharaoh, me sey that you nuh know me  
Remember that a King Solomon grow we

[Chorus]

[Verse 3:]

A judgement inna Babylon, them thirst  
Yow, a judgement with a... yow !  
See it from afar, sey the whole a them crazy  
When a black people time  
Them think a no blacka days, eh  
Nothing ? Well Babylon not could never strike me  
Emperor Selassie I is the Almighty  
From you see me chalice

Well me nah go pass, eh  
Babylon, a malice, a just through them greedy  
Bun weed  
I come fi weed, eh  
Yow, ah life black people needy  
Nuh watch, eh

[Chorus]
