

Sizzla, Gimme A Try (Remix)

(Sizzla)

Ahhhhhhhh

Where do you go, don't you need my love baby?

Why can't you come on and let us play?

When are you going to come my way? Ah ah ahhhh

What are the things they been telling you?

I've got to stop them from compelling you, girl

They just won't stop me from getting you, ah ah ahhhh

(Chorus) (Sizzla)

Gimme a try... 'cause I... know that... things will be great

Free your mind... don't deny... true love never die... it only creates

I'm gonna take you right there, love for a lifetime

I'm gonna make your life so clear, girl gonna make you mine

I'm gonna take you right there, love for a lifetime

I'm gonna make your life so clear, gonna make you mine

(Rihanna)

Why do you call when I'm not feeling you? Baby

Why can't you leave, boy, just walk away?

When are you going to understand? Oh Ahhhh

What sort of things they've been telling you?

I got to stop them from compelling you, boy

They better stop they not helping you. Oh Ahhh

(Chorus) (Rihanna)

Don't even try...'cause I...Know that you're not the one

Don't waste you're time, goodbye, don't you play, the game is done

I'm gonna tell you right here...Let this be the last time...

I'm gonna make it so clear...Boy you must be out your mind

I'm gonna tell you right here...Let this be the last time

I'm gonna make it so clear....must be out ya mind

(Chorus) (Sizzla & Rihanna)

I'm gonna take you right there : Let this be the last time

I'm gonna make your life so clear : Boy you must be out your mind

I'm gonna take you there : Let this be the last time

I'm gonna make your life so clear : Must be out ur mind

(Chorus) (Sizzla & Rihanna)

Gimme a try... 'cause I... know that... things will be great
