

# Sizzla, Rise Them Nature

Hey girl, you are an African Queen  
Black girl, you are the best I'd ever seen  
Boom!

Me ah go rise up me nature, that's all I know  
See me ah feature and me must star the show  
Rise up me black nature that's all I know  
See me black feature yo!

Ah just the joy and just the memories  
She say she no want to destroy the friendship  
She want get the same thing she commented  
She wants it hard and stiff and extended

Woman you know me gifted for that, me talented  
Love you down, sex you on you phat, make you splendid  
Hey yo, a this ya recommended  
Listen one argument, this boom

Gonna rise up me nature, that's all I know  
See me ah feature me must star the show  
Rise up me nature, Jah Jah gonna rise up me nature

Same thing inna me pant the girls them a love it  
Sizzla Kolonj this and the girls them ah study  
You see them phat and them sexy and chubby  
Hey you girl! Come sit down pon me boom!

This thing thing inna me pants say a this them alive  
Inna me bed me turn and a twist them alive  
Push it in, bwoy it freak them alike  
Hey, vice grip me a grip them alive  
Rise up me nature, that's all I know  
See me ah feature me must star the show  
Rise up me nature, black woman you rise up  
me nature

Kolonji tell ya now  
Hey girl, you are an African Queen  
Hey girl, you are the best I'd ever seen

Yes me gonna rise up me nature that's all I know  
See me ah feature me must star the show  
Rise up me nature, black woman me say you  
rise up me nature

One and only, one and only  
And you bet Kolonji get the woman them surround me  
Oh ya know she bring her sexy friend them fi know me  
Yo! Hey ya hear me, ya hear me again, bigga judgement

Same tricks she ah prepare for me  
The best brassiere, underwear and garments she wear for me  
Woman the whole a this here for me  
She have it open up because she got this hear for me

Hey girl, you are my African Queen  
Black girl, you are the best I'd ever seen

Woman you a rise up my nature that's all I know  
See me black feature me must star the show  
Rise up me nature that's all I know  
Yo! That's all I know

A just the joy and just the memories  
She naah go destroy the friendship  
Ah she no get her same thing she commented  
She want it hard and stiff and extended  
Woman you know me gifted for that, me talented  
Me love you straight to the max, I splendid

This the one argument is, every time I see  
yo, me recommend  
Hey girl, you are an African Queen you so clean  
Hey girl, you are the best on the scene, the  
best Id ever seen

Same thing me and they love it  
My song the girls them ah study  
Look how them phat and sexy and chubby  
Hey you girl, come sit down pon me boom!

This thing thing inna me pants hey a this girls like  
Inna me bed me turn and twist them alive  
Open up me say it a freak them alike  
Vice grips and me a grip them alive

Rise up me nature thats all I know  
See me ah feature me must star the show  
Woman you rise up me nature

Same tricks weh she a prepare for me  
The best brassiere and underwear and garments she wear for me  
Hey! Yo woman the whole a this here ah for me  
She open up inna me bed she say she got this here for me

She rise up me nature thats all I know  
Black woman me must star the show
