

Sizzla, She's Loving

She's in love and that's no secret no
Givin me love and I've got to keep it yah
She write so many love letters I read them yea
She said her arms is as soft as petal
and I'm gonna need them

[CHORUS:]

You're so lovely I love you so oh oh
Woman stay by me and don't let go oh oh
You're so lovely I love yo so oh oh
Woman stay by me and don't let go oh oh

I said I wanna open your doors with my key yea ah
And you and I were meant to be in every way
I gonna open your doors with my key yea ah
You and I were meant to be in every way oh
She never gonna give up on Kalongi no time no
Woman hold your dignity me say that ah your time ah
Work every night and day, through the rain and the sunshine yo
Woman what you worth no one could pay, I'll make you mine

[CHORUS:]

You're so lovely I love you so oh oh
Stay by me and don't let go oh oh
Black woman you're so lovely I love yo so oh oh
Stay by me and don't let go oh oh

Your food and your shelter I'll provide
a woman depend on the strength of working man to survive
There's nothing to hide,
I'll make you comfortable and keep you happy inside
Take a woman and make her your wife,
intimate loving shall create another life
Make her an apple of thine eye, I tek it worldwide

[CHORUS:]

You're so lovely I love you so oh oh
Woman stay by me I love you so oh oh
You're so lovely woman I love yo so oh oh
Stay by me and don't let go oh oh
Yea ey ah

Just let me know let me know, make it flow
ahhh, yea ah, let me know,
never let go, never let go, ey

She's in love with me and that's no secret no
Givin me her love and I've got to keep it yah
She write me so many love letters I read them whoa
She said her arms are soft as petal
and I'm surely gonna need them
You're so lovely, you're so lovely, yea ay

[CHORUS:]

You're so lovely I love you so oh oh
Woman stay by me and don't let go oh oh
You're so lovely woman I love yo so oh oh
Stay by me and don't let go oh oh

Yea ey don't let go, stay by me...
