

SK8, F*ck Society (feat. Sueco)

Fuck society
You can't tell me what to fucking do
Fuck sobriety
I'm gon' sip this 1942

Fucked up soon as I wake up
I do what I want to
Fuck a chaser, sipping it straight up
I do what I want to
Sick of all the bullshit, I'm so sick of all the lies
Sick of everyone tyna tell me how to live my life

I've been drinking
I'm not thinking
Fuck you, hate me
Don't care, baby

Fuck society
You can't tell me what to fucking do
Fuck sobriety
I'm gon' sip this 1942
Fucking lie to me
You don't have a single fucking clue
Try and fuck with me
I'm gon' put your face up on the news
Collect your expectations
I don't got the time
Ask me how I'm doing lately
I'm doing just fine

I've been drinking
I'm not thinking
Fuck you, hate me
Don't care, baby

Fuck society
You can't tell me what to fucking do
Fuck sobriety
I'm gon' sip this 1942
Fucking lie to me
You don't have a single fucking clue
Try and fuck with me
I'm gon' put your face up on the news
