

Skabeatles, Just Get By

Saturday night got my blue suit on
I don't know how I'll get home
Sunday morning don't call it late
I think it's time to procreate

I'm a tiger with lightning speed
You could say it's time to breed
Call desire I call it need
Dawn is the time when I plant my seed
Yea, yeah

Don't know why
I don't know why
I try and try
Just to survive
to get by without telling a lie
so that's why
I just get by

Here I come...
