

Skamp, U Got Style

Hey you ,sitting over there looking so fine
And I can't deny given a while
We could spend some time
And I see if there's more to you
Than meets the eye
'Cause you sure look fine
And you sure got style, yeah

You look so divaine that you blow my mind
Think I'll make you mine,yeah
You look so divaine that you blow my mind
Think I'll make you mine,think I'll make you mine

CHORUS

You got style,you got style, yeah
You got style,baby
You got style,you got style,yeah
You got style ,baby
I think I'll make you mine

Hey you, with the smile so sweet
Make all the girliesweak with that sleek physique
But once we meet I'll probably see
You're no good to be true
Just another cute fool
But one think I know is true

You look so devine that you blow my mind
Think I'll make you mine
You look so devine that you blow my mind
Think I'll make you mine,think I'll make you mine

CHORUS

As einu gatve ir matau tave
Fainas dizainas ,ar ne?
Slenka zemyn mano zvilgsnis
As skaiciuojų kiekviena tavo zingsni

Tu man atsuki savo akis
Apakini mane,plaka mano sirdis
Tu sukaustai mano mintis,jauciu
Kad arteja karsciausia mano naktis
