

Skamp, You Got Style (Eurovision 2001)

Hey you, sittin' over there lookin' so fine
And I can't deny, given a while, we could spend some time
And see if there's more to you than meets the eye
'Cause you sure look fine and you sure got style, yeah yeah
You look so divine that you blow my mind
Think I'll make you mine, yeah
You look so divine that you blow my mind
Think I'll make you mine, think I'll make you mine
(You got style, you got style,) yeah
(You got style,) baby
You got style, you got style
You got style, (baby)
I think I'll make you mine
Hey you, with the smile so sweet
Make all the girlies weak with that sleek physique
But once we meet I'll probably see you're no good to be true
Just another cute fool, but one thing I know is true
You look so divine that you blow my mind
Think I'll make you mine, yeah
You look so divine that you blow my mind
Think I'll make you mine, think I'll make you mine
(You got style, you got style,) yeah
(You got style,) baby
You got style, you got style
You got style, (baby)
I think I'll make you mine
A einu gatve ir matau tave, fainas dizainas, ar ne?
Slenka emyn mano vilgsnis
A skaiiuoju keikvieną tavo ingsn, ingsn
Atsuki man savo akis
Apakini mane, plaka mano irdis
Tu sukaustai mano mintis, jauiu
Kad artja kariausia mano naktis
Like this, like that, yeah (Like that)
I'm glad I met ya (All right)
Was geht ab? Alles klar? - Wunderbar (Come on, merci)
Comment a va? - Comme ci, comme a
Don't you know you look so fine?
Don't you know you blow my mind?
Don't you know that you got style?

(You got style, you got style,) yeah
