

# Skank, Let Me Try Again

I Know I said that I was leaving  
But I couldn't say goodbye  
It was only self deceiving  
To walk away from someone who  
Means everything in life to you  
You learn from every lonely day  
I've learned and now I'm back to say  
I was such a fool to doubt you  
To try to go it all alone  
There's no sense in life without you  
Now all I do is just exist  
And think about the chance I've missed  
To beg, is not an easy task  
Pride, such a foolish mask  
Let me try again  
Think of all we had before  
Let me try once more  
We can have it all  
You and I again  
Please forgive me or I'll die  
Let me try again
