## Skankin' Pickle, Ties That Bind

[Verse] Don't want your kind of work today. I hate that fucking job, anyway.

[Chorus] Don't ask me why my life's a wreck. I've got this noose around my neck. And I've got to get away from ties that bind. Ties that bind.

[Verse] Don't wanna come home to you tonight. Cause I'm a mess and I'll probably start a fight.

[Repeat chorus]
