

# Skeeter Davis, Another You

I know there'll never ever be another you  
Just when I thought that you were mine alone you told me there was someone new  
Now it's so hard to think of finding someone else  
I know there'll never ever be another you  
I can't forget the moments that we shared and all the the happiness we knew  
Now as I sit alone with all my memories I know there'll never ever be another you  
I know there'll never ever be lips as sweet as yours  
I know there'll never ever be another you  
I know it's hopeless to go on this way but what is said for me to do  
I've lost the only one that I have ever loved  
I know there'll never ever be another never ever be another  
Never ever be another never ever be another you
