

Skeeter Davis, Early In The Morning

Well you're gonna miss me early in the morning one of these days oh yeah
You're gonna want me early in the morning when I'm away don't you know
You'll be sorry for the times I cry you'll be sorry for the times I lie
Yes you're gonna miss me early in the morning one of these days oh yeah
You know a rolling stone don't gather no moss
Yeah you cross your bridge when it's time to cross
Well you broke my heart when he said goodbye
You're gonna miss my kiss yeah you're gonna cry
Yeah early in the morning you're gonna know that I was right oh yeah
Yeah early in the morning when there's nobody to hold you tight oh yeah
Yeah you're gonna want me want me bad
You're gonna miss this girl you never had
Yes you're gonna miss me you're gonna want me one of these days oh yeah
[harmonica]
Yeah you're gonna miss me miss me bad
You're gonna miss this girl you never had
Yes you're gonna want me you're gonna miss me one of these days yeah yeah
