

Skeeter Davis, I Can't See Me Without You

I can't see why you said goodbye
And bring in my happy world such a lonely blue
I don't know how I can make it now cause I can't see me without you

I woke up this morning feeling mighty fine
I can't find out until now baby's no longer mine
I can't see why you said goodbye...

Walking down a Happy Street looking for my man
It turned into a Lonely Street he was holdin' another girl's hand
I can't see why you said goodbye...
I can't see me without you
