

# Skeeter Davis, I Can't Stay Mad At You

I can't stay mad at you.  
You can make me cry  
You can break my heart  
But I'll never say we're through  
And even when I shout  
I can't stay mad at you  
I can't stay mad at you

I got mad at you last night  
When you were holding  
Another girl tight  
But when I thought about all your charms  
I bounced right back into your arms.....

I think you'll know for sure  
I won't be the one to fall in love with someone new  
I'll never say goodbye  
I can't stay mad at you (repeat 2nd paragraph)
