

Skeeter Davis, It's Hard To Be A Woman

I give you everything a woman can give but you just take my love for granted
I forgive you when you hurt me and for a while I think you love me
But all you really do is use me what can I do baby
It's so hard to be a woman every man is after something
Is it wrong when I give in if I'm in love is it a sin
[steel]
Every morning I regret it but it happens cause I let it
It's the only way to hold you cause your strong desires control you
And I just don't want to lose you what else can I do baby
It's so hard to be a woman...
It's so hard to be a woman...
