

Skeeter Davis, Keep Baltimore Beautiful

How could you leave me all alone to weep my life away
How could you go you know this town just wouldn't be the same
Keep Baltimore beautiful stay here by my side
Keep Baltimore beautiful it wouldn't look so pretty if I cry

The city looks like someone took the sunshine out of town
Can't you see me and Baltimore are glad when you're around
Keep Baltimore beautiful...
Keep Baltimore beautiful...
Keep Baltimore beautiful...
