

Skeeter Davis, Lonely Again

You told me that others before you were foolish to cause me to cry
And just when I learned to adore you you kissed one more dream goodbye
And left me lonely again just like you found me lonely again no arms around me
Just when I'm sure that my heart is secure
And my teardrops are dry with a warm glow inside
Then this love is mine to the end of the line
That's always the time that I'm lonely again

You told me you wanted me only that this time and this love would last
You told me I'd never be lonely now you belong to the past
And I'm so lonely again...
Lonely again lonely again
