

# Skeeter Davis, My Elusive Dreams

[HER] I followed you to Texas I followed you to Utah.

[HIM] We didn't find it there so we moved on.

[HER] I followed you to Alabam things look good in Birmingham.

[HIM] We didn't find it there so we moved on.

[Both - HIM:melody; HER:harmony]

I know you're tired of following my elusive dreams and schemes

For they're only fleeting things my elusive dreams.

[HER] I had your child in Memphis you heard of work in Nashville.

[HIM] We didn't find it there so we moved on to a small farm in Nebraska to a gold mine in Alaska

[HER] We didn't find it there so we moved on.

[HIM] Now we've left Alaska because there was no gold mine.

[HER](speaking)But this time only two of us moved on.

And now all we have is each other and a little memory that we could to cling to.

[HIM](speaking)But still you won't let me go on alone.

[Both - HIM:melody; HER:harmony]

I know you're tired of following my elusive dreams and schemes

For they're only fleeting things my elusive dreams

For they're only fleeting things my elusive dreams

[End]
