

Skeeter Davis, On My Mind

I can't eat and I can't sleep all I do is sit and cry
And listen for your footsteps at the door
I keep asking myself why we ever said goodbye
And I guess I shed a million tears or more
On my mind on my mind you're always in my heart and on my mind
Once I thought my love had died but darling here's what I'd find
You're always in my heart and on my mind
[fiddle - dobro]
Seems I miss you most of all when twilight shadows fall
What a fool I was to ever let you go
If longing for you now could only bring you back somehow
You'd be here in these lonely arms I know
On my mind on my mind...
