

# Skeeter Davis, Please Don't Talk To The Lifeguard

Please don't talk to the lifeguard please don't talk to the lifeguard  
Please don't talk to the lifeguard please don't talk to the lifeguard  
Says the sign where I go to swim oh oh  
How can I get to know him how can I get to show him  
That I am so much in love with him  
Dark and handsome golden tan six feet tall man oh man  
Gotta make him mine all mine iish they'd take away that sign  
Please don't talk to the lifeguard please don't talk to the lifeguard  
Guess I'll swim way out into the sea  
And then I'll meet him when he rescues me  
(Please don't talk to the lifeguard please don't talk to the lifeguard)  
Dark and handsome...
