

# Skeeter Davis, Summer Place

There's a summer place where it may rain or storm yet I'm safe and warm  
For within that summer place your arms reach out to me  
And my heart is free from all care  
For it knows there are no gloomy skies when seen through the eyes  
Of those who are blessed with love  
And the secret of a summer place is that it's anywhere  
Anywhere when two people share all their hopes all their dreams all their love  
And the secret of a summer place...
