

Skeeter Davis, Together Again

[Both]

Together again our tears have stopped falling

[Skeeter]

The long lonely nights are now at an end

[Bobby]

The key to my heart you hold in your hand

[Both]

And nothing else matters now we're together again

[guitar + steel]

[Both]

Together again the grey skies are gone

You're back in my arms now that's where I belong

The love that we knew is living again

And nothing else matters now we're together again

We're together again
