

Skeeter Davis, Too Young

They try to tell us we're too young too young to really be in love
They say that love's a word a word'd be only heard
But can't begin to know the meaning of
And yet we're not too young to know this love will last though years may go
And then someday they may recall we were not too young at all
[strings]
And then someday they may recall we were not too young at all
