

Skeeter Davis, What Does It Take (To Keep A Man Like You Satisfied)

I guess my loving just ain't good enough for you
Cause every time I turn my head you look at someone new
Your kind don't like walking babe you won't end easy ride
What does it take to keep a man like you satisfied

[strings]

You've got a plan in mind to make things come your way
I wonder if it's worth the price you have to pay
Cause life gets cold and lonely when your self respect has died
What does it take to keep a man like you satisfied

[strings]

You think you need more love than any other man
Someday you'll taste your cup of life and find it filled with sand
And then you'll have to turn and face the man within
For where I stand I don't think you'll be proud of where you've been
And when you're running from yourself there's just no place to hide
What does it take to keep a man like you satisfied
