

Skeeter Davis, You Ain't Woman Enough

You ain't woman enough to take my man
You've come to tell me something you say I ought to know
That he don't love me anymore and I'll have to let him go
You say you're gonna take him but I don't think you can
You ain't woman enough to take my man
Women like you they're a dime a dozen you can buy them anywhere
For you to get to him I'd have to move over and I'm gonna stand right here
It'll be over my death body so get out while you can
You ain't woman enough to take my man
[dobro]
Sometimes a man start lookin' at things that he don't need
He took a second look at you but he's in love with me
I don't know where they leaves you but I know where I'll stand
And you ain't woman enough to take my man
Women like you they're a dime a dozen...
You ain't woman enough to take my man
