

Skeeter Davis, You've Still Got A Place In My Heart

If the one you'd think is true ever turns her back on you
You've still got a place in my heart
If every road you take proves you made a big mistake
Baby you've still got a place in my heart
If I'm a fool to pray that you'll come back some day
Then I'll know of million fools that love has made that way
If the years should make you cry don't go on and live a lie
Baby you've still got a place in my heart
[guitar]
If the years should make you cry don't go on and live a lie
Baby you've still got a place in my heart
